All Congregation Conversation Summary

Thank you for a productive All Congregational Conversation this last Sunday (January 21st). Highlights of our meeting were;

- The CORE Team provided updates on successes accomplished, including the One to One Phone conversations.
- The CORE Team will also be expanding through the addition of 1-2 members per each congregation - for a total of between 5-8 members.
- We remembered where we have been in the process, reviewed the current focus and dreamed a bit of where we could be going in the future processes.
- The Sub Committee sign up sheets were rolled out for the first time - and many members have already volunteered. We will staff those committees and get rolling forward, beginning with Facilities and Finance. We want to keep the committees diverse and to staff with a variety of people - so as not to burn anyone out and to gain the widest swath of our communities as possible. We are dedicated to doing that - so please prioritize your talents and interests accordingly.

Again, thank you for your active participation and willingness to volunteer and keep moving forward “along the Way”.

Communication Enhancement Event

As leaders in our congregations, we are apprising you of a leadership event scheduled for this coming Saturday, Jan. 27 at 10 AM. In working together as the three parties in covenant for Discernment and Transformation (Holy Cross, Christ the Good Shepherd, and Pastor Sena Norton) we have reached out to a pastor specializing in this field. Pastor Laurin Vance is a retired ELCA pastor who volunteers his time to help groups such as ours to improve their internal communication. He will be meeting with the Exec teams on Saturday and may want at a later date to involve you, the congregation, in the process. We will keep you informed on developments of this process.
